Wyrażam zgodę na przetwarzanie moich danych osobowych dla potrzeb niezbędnych do realizacji procesu rekrutacji (zgodnie z ustawą z dnia 10 maja 2018 roku o ochronie danych osobowych (Dz. Ustaw z 2018, poz. 1000) oraz zgodnie z rozporządzeniem Parlamentu Europejskiego i Rady (UE) 2016/679 z dnia 27 kwietnia 2016 r. w sprawie ochrony osób fizycznych w związku z przetwarzaniem danych osobowych i w sprawie swobodnego przepływu takich danych oraz uchylenia dyrektywy 95/46/WE (RODO)).

About Me

I am enthusiastic about new technologies and constantly seek opportunities to apply them. I am also interested in economics, particularly the use of artificial intelligence, especially large language models (LLMs). Additionally, psychology is a fascinating area that I enjoy exploring further. I believe that combining these three fields allows me to gain a deeper understanding and analysis of various professional situations.
